This product uses BOOMPODS™ technology and is covered by international patents, *headpods* - IP: 201330118796.7

*headpods*

### Introduction:

Before using your *headpods* for the first time, please take a few moments to read through the user manual.

### Operation

Connect the 3.5mm line-in cable (1) to your audio source and *headpods* (2), please note the remote should be closest (3) to the headset. Please adjust the sound to a moderate volume and enjoy the music.

- + Click this button to increase volume (4)
- Click this button to decrease volume (5)
- ▶ Click this button to play or pause track (6)
- ▶ Quickly press this button twice to play last track (6)
- ▶ Quickly press this button three times to play last track (6)

### Receiving incoming calls

When receiving an incoming call, your music track will pause and you will be able to hear your regular ringtone. To accept the call, press the ▶ button (6) on your remote once. To reject the call, please twice. Once the call is finished, your track will start again automatically.  
*(Please note some mobile phone brands will not be able to utilise all these remote functions).*

1 - 3.5mm line-in cable 2 - Audio port 3 - Remote

### General guidelines:

Keep away from high temperature or prolonged exposure to direct sunlight. Do not get wet or submerge in water. If using during exercise, wipe any moisture away from ear pods with a soft cloth before folding. Do not disassemble. Do not drop the product. Keep out of reach of children. Do not use at full volume for long periods of time. Do not use whilst operating machinery, driving, cycling or any activity that requires alertness to surroundings and/or could compromise safety. Exposure to loud sounds can cause damage to hearing.

### Warranty:

Your BOOMPODS™ product is guaranteed against any defects in material or workmanship for one full year from the date of original purchase providing it has not been disassembled and it has not suffered accidental damage such as a knock or immersion in water, etc.

The device must be used in accordance with the user manual. The warranty is subject to presentation of the original invoice or receipt from the retailer and does not apply to normal wear and tear or to any device that has been misused or tampered with. It should be returned to the local service centre, the service centre will not bear any shipping cost of the returned item.

Please check [www.boompods.com](http://www.boompods.com) for your local service centre.
