

Auto+ 80X Recyclable Shredder Waste Sacks 20L

1765028EU

Product Description

Help to protect the environment by using Recyclable Paper Waste sacks for the Auto+ 80X Auto Feed shredder. Simply place the sack into the retractable bin of the shredder; the front side has perforations so it is possible to see through the viewing window and gauge much shredded paper the sack contains. When full, the sack can be taken from the bin, closed with the self adhesive strips and replaced by a new one. The sack containing the shredded paper can then be all be recycled without you having to remove the contents.
